

0.1 Outputs

0.2 Activities

Links to a number of different activities and events will be posted here, as the project goes by.

- The project has already organised a workshop entitled “Is digital sovereignty sustainable” in central Brussels on 30 November 2023.
- The project has also enabled participation in a number of other workshops where the DESTINY team has either coordinated or acted as a speaker, including:
- [Digitally Aware Elections discussion series, Brussels School of Governance](#)
- [ReMIT conference, Leuven 16-17 May](#)
- [GIG-ARTS Conference, Leiden 3-4 June](#)
